THE PRESIDENT’S LETTER
Larry Garner, SWAM President

SWAM continues to be strong. I hope you all are making plans to attend the SWAM 2009 Conference in Oklahoma City, February 24-28, 2009. The dates are a bit earlier than the usual second week of March. FBD shifted the dates to obtain facilities.

As many of you remember, OKC was the site of our 2005 Conference, after Hurricane Katrina flooded us out of New Orleans. Those who came to OKC in 2005 enjoyed the city. The OKC entertainment district is an easy walk from the two hotels. Links for hotel reservations are now available on the FBD web-site. http://www.fbds.org/. Start making your plans now.

Suzanne Clinton is our Program Chair this year. She has worked hard to put together what I know will be a fantastic conference. The theme is Crafting the Whole Professor: Integrating Academia and Industry. It should provide us with some great papers and discussions. Suzanne is also planning to have special quests speakers and presentations from industry. The 2009 Program will be on the SWAM website soon.

It appears we will may be meeting in Dallas in 2010 and in Houston in 2011. Little Rock is also under consideration for a future date. The 2010 conference site will be known before we meet in OKC.

At the Houston Conference Business Meeting, the Board of Officers was asked to consider changes in our Journal relationship. At the AOM Board Meeting in August, the proposal was tabled. It is the sense of the Board that affiliation with an online journal has not met with much interest from our membership. We will instead strengthen our existing relationship with the Journal of Business Strategies, which has a new Editor.

At the AOM Conference in Anaheim in August, two Past Presidents of SWAM were recognized for outstanding achievement. David Van Fleet was recognized as the Distinguished Service Award recipient. Geralyn Franklin received a major award for a best paper. Congratulations to David and Geralyn. Well Done!
I believe the personal approach is the most productive in recruiting new members. We all should encourage our colleagues to join us in OKC and at future conferences. In particular encourage the new management faculty at your school to become active in SWAM. Spread the word and join us for a great conference in Oklahoma City!!

THE PROGRAM CHAIR’S LETTER
Suzanne Clinton, University of Central Oklahoma

SWAM 2009 will meet as part of FBD in Oklahoma City, February 24-28, 2009. Held at the Renaissance Hotel and adjacent Cox Convention Center, the meeting is sure to promote learning and camaraderie in a fun, relaxing environment.

My sincere thanks and appreciation to the awesome track chairs, outstanding authors, and exceptional reviewers for helping me provide an excellent program for Oklahoma City! This year’s program has something for everyone: academic paper presentations, roundtable discussions, panel presentations, special topic presentations, a Swap Meet, and several great keynote speakers, including Edmond, OK, Police Chief Robert A. “Bob” Ricks, former FBI Assistant Special Agent in Charge during the Waco Incident.

The program will also include special guest speakers from Oklahoma City-based i2E (innovation to Enterprise), Workforce Oklahoma, and Students in Free Enterprise. Sample presentation topics include improving online education, grant writing, overcoming obstacles to publishing, professors and copyright laws, and utilizing competitions as a method of teaching. All we need now is you!

Oklahoma City’s Bricktown District is known for diverse entertainment options: hockey games, movies, bowling, shopping, water taxi rides on the canal, as well as drinking and dining at the many restaurants and nightspots. Additional options include the Oklahoma City National Memorial, Oklahoma Historical Building, Myriad Botanical Gardens, and the Oklahoma City Museum of Art. Websites at http://www.okcchamber.com/ and http://www.bricktownokc.com/ are information resources for enjoying OKC.

Please note my new email address is mclinton1@uco.edu and the new university domain name now reads: www.uco.edu

Come join us in Oklahoma City for SWAM 2009!
